

March 2024

COMMUNITY NOTICE

Dunk Island Spit campgrounds will be available for pre-opening stays through the Mission Beach Visitor Information Centre from Friday 4 April.

The partnership with Cassowary Coast Tourism to temporarily manage campsite bookings will allow for the community to pitch a tent on the island in the coming holiday period while final touches are being made to the revitalised destination.

As construction of the new cafe/bar nears completion, power and wastewater infrastructure upgrades and landscaping continues with ongoing wet weather impacting progress.

Through this arrangement, the Mission Beach Visitor Information Centre is taking bookings for six sites from Friday 4 April through to Thursday 29 May. Terms and conditions apply.

To make a booking please phone the Mission Beach Visitor Information Centre on 07 4068 7099 or email info@cassowarycoasttourism.com.au.

Stay tuned for more updates as we count down to opening the all-new Dunk Island Spit very soon.
